or whether it be the entrance of the soul into the realms of spirit, for consciousness is the sole property of each individual lifestream and is one activity that cannot be stolen or destroyed. Therefore, what a man builds into his consciousness by contemplation and effort is his for eternity. The Path leading to the Summit is through Contemplation, Initiation, Invocation and Perseverance. "No one cometh unto the Father (the Summit) but through Me - I AM - the Ascension in the Light." Why stand ye at the foot looking upward? Ask your own Holy Christ Self to lead you to the apex and be FREE.

Blessings and Love,

MAHA CHOHAN

ADDRESS BY BELOVED EL MORYA

Beloved Friends of God:

Greetings, Blessings, Love, Light, Freedom, Hope, Courage, Strength, Vitality and Fire from Darjeeling to the sons and daughters of man everywhere upon the planet Earth tonight - to the Elemental Kingdom - to the Angelic Host - to the Cosmic Beings, the Ascended Masters, and all those who have turned their consciousness and attention toward the heart of India, and who choose, voluntarily, to open the doors of that consciousness in order to receive the impetus of the Will and Nature of the Godhead.

To mankind incarnate; to mankind who stand at the gates of birth; to mankind in the astral and psychic realms; and to the imprisoned elemental kingdom I speak tonight in the Name of God, the Father, God, the Mother, and God, the Holy Spirit. It is the Fiat from the Heart of Creation that the Will of God shall now be manifest through your life, through your energies, through your senses. I speak these words into the mental and feeling worlds of the planet - into the groaning substance of this dark star - into every appearance which enfolds an earnest son or daughter of the Kingdom who has forgotten the Divine Destiny of God Mastery.

Tonight, the Will of God, through the energies of unascended beings, circles this planet 'round. On every breath it is charged into the energies of the four elements which make up the atmosphere. It is charged into the animal kingdom. It is charged into the reluctant souls of the sleeping masses and into the bold who have chosen to lead those masses in sunshine rather than shadow.

Tonight Aries has opened the currents of the air. The Great Himalaya has cooperated again in making world-wide these inner fibres of Spiritual Light.

The WILL OF GOD is good. The WILL OF GOD is for a free people. The WILL OF GOD is to free the Great Lord of the World that He may resume His own natural place on His Star.

The WILL OF GOD is that the axis of the Earth shall be straightened - that the extremes of climate shall be mercifully blended together into a habitable and happy balance.

The WILL OF GOD is that every man, from within himself, shall draw forth the substance and supply which is the need and requirement of his everyday existence.

The WILL OF GOD is that disease, death, poverty, limitation, and unbalance of mind and body shall be no more; that impurity, viciousness and unkindness shall die; that elemental light shall again shine; that the Earth itself shall take on the hues of iridescent beauty which it had when it came forth from the bodies and souls of the Elohim.

The WILL OF GOD is that there shall be no veil between man and God, and that Angels, Devas, and all God-free Beings shall walk and talk as freely with the evolution on the Earth as men now talk with one another.

This is the WILL OF GOD - the lame to be made whole; the sick to rise; the diseased to become filled with ease and balance - each one entering into the deep recesses of his heart - facing his own Supreme Divinity - seeing It face to face and becoming so enamored of Its Light that the externalized form he wears becomes the magnificent perfection pre-ordained and destined for each lifestream.

It is time that the WILL OF GOD be impressed with such strength and power into the consciousness of mankind that there can no longer be any dallying in the shadows nor acceptance of limitation as part of this great Universal First Cause.

Every hour, on the hour, during this thirty-day period (February 15th to March 14th inclus-

ive), either I, Myself, or some Member of the Brothers of the Diamond Heart intend to speak the WILL OF GOD into the energies of this physical appearance world which will carry those vibrations around the planet. Those interested, in unascended bodies, in sending forth, at least five minutes at a time - three times a day, the following strong, powerful thought (and spoken word if possible) will be Myself in action:

The WILL OF GOD is GOOD!
The WILL OF GOD is LIGHT!
The WILL OF GOD is HAPPINESS!
The WILL OF GOD is PEACE!
The WILL OF GOD is PURITY!
The WILL OF GOD is BALANCE!
The WILL OF GOD is KINDNESS!

I have stood now, for many centuries, while man and his teachers have prattled about the Will of God and the submission to circumstances. That shall cease to be. Within Life is the Power of Mastery, and within My full-gathered Cosmic Momentum is the pressure and assurance of Faith in the Fulfillment of that Will.

To My Brother, Kuthumi, I now give the platform. Good evening.

BELOVED KUTHUMI'S REPORT ON THE TRANSMISSION OF THE FLAME ACTIVITIES OF FEBRUARY 20th, 1954.

Beloved Friends:

Tonight darjeeling presents a heart-warming and exquisite sight. Looking at it from the hillside, the great palace is ablaze with light - the great towers, the central globe, and the entire building is shining in that supernatural way that all places do which are the foci of the Ascended Brotherhood.

Tonight We are engaged in the study of the WILL OF GOD in relation to every avenue and channel by which mankind is guided, served or nourished.

The Heads of all the Seven Rays - not only the Chohans, the Mighty Archangels and the Elohim, but individuals of other great initiate development are present.

The manifold expression of the WILL OF GOD could not be described to the finite mind, but there is no channel that serves constructive endeavor that can succeed or expand without humility in the consciousness and heart of the leader to the Will of God Himself, and it is this great humility in the hearts of the elect in Darjeeling tonight which gives Us such hope that We may be able to infiltrate Our instruction through them to the consciousness of the people who work under them, according to the people's
